Greetings,
We are in the process of starting a private Christian School (or Christian based Academy as originally worded) in Hudson, Caldwell County, NC. Initially it will consist of Pine Mountain Preschool (PMP) and Pine Mountain Academy (PMA.)

Our commitment is to provide a safe, alternative, Christian based education that will prepare our students to thrive in today's society. This will be not only a positive educational experience, but more importantly, a much-needed mission to our community.

With this commitment also comes the financial responsibility to open the academy and preschool, grow the curriculum and retain/attract only the best staff and educators.

Our goal is to raise \$450,000 before our grand opening this fall. Achieving this goal will help us meet the financial needs of opening and running both the academy and preschool during the first year.

James 4:2 "You have not because you ask not"

Our Story

Pine Mountain Academy and Pine Mountain Preschool are a product of much prayer, requests from our community for a positive alternative for education and a desire for a Christian based curriculum. There is a rich heritage of education here at Pine Mountain Academy. Pine Mountain School was a public Caldwell County school here on the property until 1932. The Pine Mountain School was in a one room building filled with students from the community. On Sundays the school was used for worship by the community, forming Poovey's Chapel Baptist Church in 1932. The last 90 years the Church has been involved in the community and county. In 2022, Poovey's Chapel Baptist Church voted to take a step of faith to begin Pine Mountain Preschool and Pine Mountain Academy. Fall 2023 will begin a new journey of Christian education and ministry to help prepare this generation to enter the world with a foundation of faith and a promising future.
